Establishment of "Women Cell"

The need to establish an exclusive women cell was felt by the top management to bring the girls students in to main stream activities so that they are able to actively participate in various activities. It was hoped that such participation would make them shed their inhibitions.

For this purpose the Principal discussed with the faculty members and it is agreed that Smt B.A. Khatare should take the lead. Accordingly in August 2014 this cell was established. Further, during the year June 2019 Smt T. S. Mangaje shouldered this responsibility due to retirement of Smt B.A. Khatare. The entire range of activities to be undertaken by women cell was chalked out by the team leader. These activities were broadly classified as under:

Issues pertaining to:

- Health and hygiene including Aids awareness and reproductive health
- Cultural aspects including hair styling, Rangoli / Mehendi, Saree Day, celebration of Traditional Day.
- Legal awareness about dowry system, property inheritance and abortion including female feticide.
- Celebration of International Women Day on 8th of March

Over the last year nearly 4 programmes were conducted. During the Women Cell Activities well known achievers in various fields were invited as chief Guests

The planning and execution of these activities were entirely managed by the heads of the cell. Only major aspects of the activities were discussed with the top management and their concurrence obtained.
